technical skills.

about me.

I'm Madhav Kohli — a multidisciplinary creator who blends design, development, and storytelling to craft meaningful digital experiences. With a passion for turning ideas into visuals and code, I've worked on everything from websites and brand identities to motion graphics and creative content. Driven by curiosity and purpose, I don't just create for the sake of it — I build to *connect*, *inspire*, and *leave a mark*.

Brand Identity Work

logo folio.

This *logofolio* is a curated collection of **logo designs** created across various **styles, industries, and concepts**. Each mark represents a unique **visual solution** — balancing **aesthetics, functionality, and brand personality**. From **monograms** to **bold symbols**, this collection reflects a focus on **clarity, versatility, and timeless design**.

business cards.

A *business card* is more than just contact information — it's a *pocket-sized brand statement*.

This collection showcases *sleek, modern,* and *purpose-driven* business card designs created to reflect the *identity* and *values* of each brand. From *minimal layouts* to *bold typography*, each piece balances *functionality* with *visual impact*.

brand guidelines.

A *brand* is more than just a *logo* — it's a complete *visual language* that speaks for the business.

This guide brings together the core elements that define a brand's *identity*, from *color* and *typography* to *logo usage* and *tone of voice*. Designed to ensure *consistency* and *clarity*, these guidelines help maintain a strong and *recognizable presence* across all platforms.

Marketing & Promotional Design

posters & flyers.

A *poster or flyer* is more than just a promotional piece — it's a **bold visual messenger**.

This collection features **eye-catching**, **creative**, and **message-driven** designs crafted to capture **attention** and communicate with **clarity**. From **event promotions** to **brand campaigns**, each piece blends strong **typography**, striking **visuals**, and purposeful **layout** to leave a lasting impression.

social media creatives.

Social media creatives are designed to stop the scroll and spark engagement. This collection includes [stories](#), [posts](#), [carousels](#), and [grid layouts](#), each tailored to platform-specific behavior and brand voice. From quick promotions to narrative-driven content, these designs focus on [visual impact](#), [consistency](#), and [audience connection](#).

merchandise.

Merchandise design is where creativity meets culture — transforming a brand into something people can wear, carry, or display.

This section features **branded apparel**, **stickers**, **tote bags**, and other **custom merch** designed to extend brand identity into the real world. Each item reflects the brand's **attitude**, **aesthetic**, and **voice**, turning everyday products into **visual ambassadors**.

**Print
Media**

packaging design.

Packaging is more than protection — it's presentation, experience, and brand storytelling in physical form.

As a part of print media, these designs merge functionality with aesthetics, ensuring that every label, box, or wrapper not only holds the product but also reflects its identity, values, and visual appeal. Each packaging piece is crafted to attract, inform, and connect.

Brewed to perfection

Your perfect spot for coffee, pastries, and more.

Explore menu

brewtown

Brewtown is a Jaipur-based café known for its cozy atmosphere and rich brews. I designed a modern, user-friendly website that reflects the café's warm identity.

The website highlights key offerings like the menu, location, events, and customer experience, creating a digital space as inviting as the café itself.
